Parel Wall Sconce By Modern Forms

Description

Like a stunning collection of pearls on a string, the Parel Wall Sconce exudes timeless elegance. Spanish alabaster beads are draped over swoping arms to create the airy, asymmetrical form. A seamless line of LED along the entire strand lights each stone bead from within. Dress up your entry, powder room, or bedside with this delightful piece. Dimmable via Triac, electronic low voltage (ELV) or 0-10V dimming.
