Skyla Wall Sconce

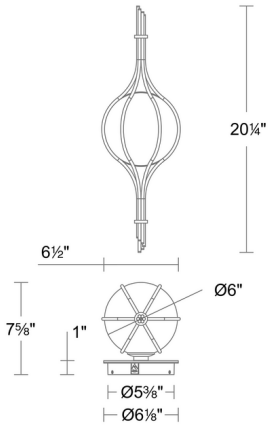

By Modern Forms

Description

Drawing inspiration from vintage silhouettes, the Skyla Wall Sconce captures the eye and commands the room. An opal glass globe is wrapped in delicate metal strands to form a dynamic sculpture. An integrated LED module provides a soft, ambient glow. This fixture is compatible with the WAC Home system for Tunable White and Dim-to-Warm (1800K-4000K).

Shown in vintage brass / opal
