Saber Outdoor Static White Mini Suspension By PureEdge Lighting

Description

Visually stimulating and housed within a proprietary optical silicone lens, the Saber Mini Suspension is tension hung offering flexible installation options, and conceptual yet functional design. The Saber Mini Suspension bends up and down giving it the unique ability to traverse open spaces wall to wall, wall to ceiling, and floor to ceiling. The 0.6 inch wide round lens offers superior color quality and performance while creating uniform illumination without pixelation, using cutting edge remote phosphor technology. Offered in multiple, dimmable Static White color temperatures. Saber Mini is an IP66 rated wet location system featuring watertight barrel connections, with one end feed. System includes a pair of turnbuckles and aircraft cable. Remote 24 volt power supply and canopy sold separately. Visually stimulating and housed within a proprietary optical silicone lens, the Saber Mini Suspension is tension hung offering flexible installation options, and conceptual yet functional design. The Saber Mini Suspension bends up and down giving it the unique ability to traverse open spaces wall to wall, wall to ceiling, and floor to ceiling.
