Rye Table Lamp

By Uttermost

Description

The Rye Table Lamp showcases artisan craftsmanship with a richly glazed ceramic base, blending rust brown and mottled green tones to create remarkable depth and character. Elevated by a substantial crystal foot and accented with plated brass details, this striking design is topped with a slightly tapered round hardback shade wrapped in crisp white linen fabric. Due to the nature of fired ceramic glazes, each lamp will feature subtle variations in color and finish, making every piece one of a kind. 3-way socket switch.
