Kitley Table Lamp

By Uttermost

Description

The Kitley Table Lamp features a sculptural ceramic base finished in a serene sage green glaze with subtle mottled detailing, accented by refined antique brass accents. The round hardback drum shade is wrapped in a casual white linen fabric with natural slubbing, adding to its relaxed, organic appeal. Due to the nature of fired ceramic glazes, each finish will vary slightly, making every piece unique. 3-way socket switch.
