Makani Table Lamp

By Uttermost

Description

The Makani Table Lamp showcases a striking totem-inspired base crafted from stacked natural travertine, separated by elegant iron accents finished in antique gold. A round hardback drum shade wrapped in casual white linen fabric with light slubbing completes the design with soft texture and warmth. Due to the natural characteristics of travertine, each lamp will feature unique variations in color and veining, making every piece one of a kind. 3-way socket switch.
