Torrence Table Lamp

By Uttermost

Description

Featuring a captivating high-gloss drip glaze, this Torrence Table Lamp displays a luxurious mix of warm caramel, deep chocolate, and soft cream hues. The timeless tapered form is complemented by antique brass details and finished with a white linen hardback drum shade accented by natural slubbing for a relaxed, textured look. As a result of the unique ceramic firing process, slight variations in the glaze finish are to be expected, ensuring each lamp has its own distinct character.
