Callista Table Lamp

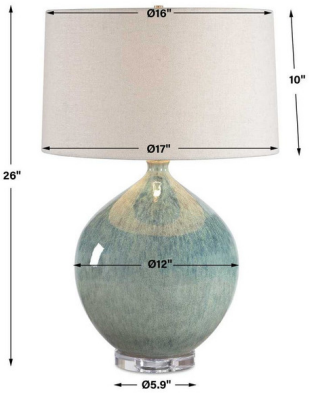

By Uttermost

Description

The Callista Table Lamp features a rounded ceramic base finished in a vibrant blend of mottled ocean blue and teal glazes. This table lamp brings rich color and organic character to any space. Antique brass accents and a clear crystal foot add a sophisticated touch, while the slightly tapered hardback drum shade, wrapped in warm white linen with subtle slubbing, completes the look. Due to the nature of fired ceramic glazes, each finish will vary slightly, making every piece unique.
