Jaudon Table Lamp

By Uttermost

Description

Deeply ridged and organically sculpted, the Jaudon Table Lamp showcases a lustrous variegated glaze in rich shades of dark bronze and chocolate with subtle lighter undertones. A clear crystal foot and refined brass accents add an elegant touch, enhancing the lamp's sophisticated silhouette. The round hardback drum shade is wrapped in crisp white linen fabric, completing the timeless design. Due to the handcrafted nature of fired ceramic glazes, each piece will feature unique variations in finish. 3-way socket switch.
