Delmani Indoor / Outdoor Table Lamp

By Uttermost

Description

The Delmani Indoor-Outdoor Table Lamp showcases a gracefully tapered base crafted from natural travertine, highlighting the stone's distinctive veining and organic character. Sleek dark bronze accents provide a refined contrast, enhancing its timeless appeal. The round hardback shade is wrapped in warm white, weather-resistant linen fabric, making it ideal for both indoor and outdoor settings. Due to the natural characteristics of travertine, each lamp features unique variations in color and veining, ensuring every piece is one of a kind. On-off socket switch. Damp location rated for covered outdoor applications.
