Haze In The Horizon Hand Painted Canvas

By Uttermost

Description

The Haze in the Horizon Hand Painted Canvas features Soft washes of creamy white and warm brown create an expansive sky in this hand painted abstract landscape. Below, textured layers accented with subtle cinnamon and rich russet tones add depth and visual interest, bringing balance to the composition. A light oak-finished frame provides a clean, understated finishing touch. Due to the handcrafted nature of this artwork, slight variations ensure each piece is one of a kind.
