## Garden City Hand Painted Canvas

By Uttermost

### Description

Bold and expressive, the Garden City Hand Painted Canvas brings striking energy to any space with its layered composition and dynamic brushwork. Rich crimson, coral, and deep plum tones are balanced by earthy green accents, while soft porcelain white highlights add depth and visual contrast. A black and gold double gallery frame provides a refined finishing touch. May be displayed horizontally or vertically. Each canvas is handcrafted and printed in the USA. Artwork by Sarah Mankin.

Shown in black / gold / multicolor
