Fade To Black Bench

By Uttermost

Description

The Fade to Black Bench is hand-carved from solid sugar wood, showcasing a gracefully curved seat and a striking distressed black and white finish that accentuates the wood's natural grain and organic beauty. Crafted from a living material, solid wood will naturally respond to changes in temperature and humidity over time, resulting in subtle cracks, variations, and surface irregularities that enhance the bench's authenticity and unique character.

Shown in black / white
