## Cusano Accent Table

By Uttermost

### Description

Elevate your living space with the Cusano Accent Table, featuring a round marble top with striking white and brown veining. An antique brass iron frame is enhanced by a decorative woven accent beneath the tabletop, adding refined texture and visual interest. A lower tempered glass shelf offers convenient storage and display for books, decor, or everyday essentials. Because marble is a natural material, each table showcases unique variations in veining, making every piece one of a kind.
