## Tiernan Coffee Table

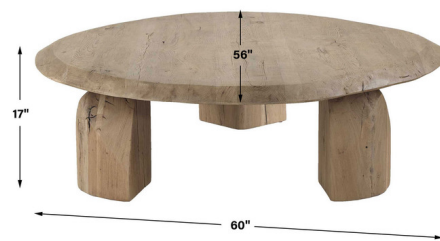

By Uttermost

### Description

Crafted entirely from solid reclaimed oak, the Tiernan Coffee Table showcases a warm natural finish that highlights the wood's rich grain and organic character. Its thick, smooth oval tabletop is supported by three substantial, sculptural faceted legs, creating a striking silhouette with a grounded presence. As a natural material, solid wood will continue to respond to changes in temperature and humidity, which may result in small cracks and uneven surfaces that enhance its authenticity and unique character.
