## Tiernan Side Table

By Uttermost

### Description

Expertly crafted from solid reclaimed oak, the Tiernan Side Table showcases the natural beauty and character of the wood in a warm, natural finish. Its softly rounded oval top is supported by a bold, faceted pedestal base, creating a sculptural silhouette with timeless appeal. Because each piece is made from solid wood, natural movement may occur over time due to changes in temperature and humidity, resulting in subtle cracks, texture variations, and other unique characteristics that make every table one of a kind.
