Calais Accent Table

By Uttermost

Description

The Calais Accent Table combines organic artistry with refined elegance, featuring a sculptural cast aluminum base in a warm antique brass finish designed to resemble a living branch supporting a luxurious Banswara white marble top. The striking contrast between the natural-inspired base and the smooth marble creates a timeless statement piece suited to a variety of interiors. Due to the inherent beauty of natural stone, each table will feature unique variations in color and veining, making every piece one of a kind.
