Ata Accent Table By Uttermost

Description

The Ata Accent Table is available in two finish options. In the antique brass version, a cast aluminum base pairs with a recycled cast glass oval tabletop for a warm, textural look that complements a wide range of interiors. The same accent table is also offered in a dark bronze finish with a white marble oval tabletop. This combination of dark metal and natural stone creates a sophisticated, timeless look suited to both classic and modern interiors. Each marble top showcases unique veining, making every table one of a kind.
