Deguara Indoor / Outdoor Coffee Table By Uttermost

Description

The Deguara Coffee Table showcases the natural beauty of solid teak, expertly carved from a single tree root to create a one-of-a-kind statement piece. Its lightly bleached finish enhances the wood's distinctive grain, natural contours, and organic character while softening its rustic appeal. Because each table is handcrafted from a unique root, variations in size, shape, and texture ensure no two pieces are exactly alike. As a natural solid wood piece, subtle cracks and surface variations may develop over time with changes in temperature and humidity, enhancing its authentic charm. Suitable for both indoor and outdoor use.
