Arik Cabinet

By Uttermost

Description

The Arik Cabinet celebrates organic texture with a handcrafted reeded design and warm natural finish. Topped with white marble featuring distinctive gray and brown veining, the piece brings refined artistry and timeless elegance to any interior. Slim iron door pulls in an antique brass finish add a sophisticated metallic accent, complementing the table's gracefully curved silhouette. Due to the natural characteristics of marble, each piece will feature unique coloration and veining patterns.
