Nahunta Accent Table

By Uttermost

Description

The Nahunta Accent Table is supported by four elegantly tapered cast aluminum legs, each crowned with decorative sphere accents that lend the piece a refined architectural presence. The sculptural base beautifully complements the inset marble tabletop, showcasing natural veining with organic depth and character. The striking combination of luxurious marble and sleek metal creates a timeless design that suits a variety of interiors. Due to the natural characteristics of marble, each tabletop will feature unique variations in color, marbling, and veining, ensuring every piece is truly one of a kind.
