Harbor Indoor / Outdoor Dining Table

By Uttermost

Description

The Harbor Dining Table is crafted from a solid mahogany frame with an intricate herringbone-patterned top in a cerused wheat finish. It features a coordinating twisted oatmeal woven trestle leg base with a solid wood stretcher for enhanced stability. Natural solid wood movement from temperature and humidity changes may result in cracks and variations in the surface, adding to the table's authentic character and unique appeal. Suitable for both indoor and outdoor use.
