Lenoir Swivel Chair

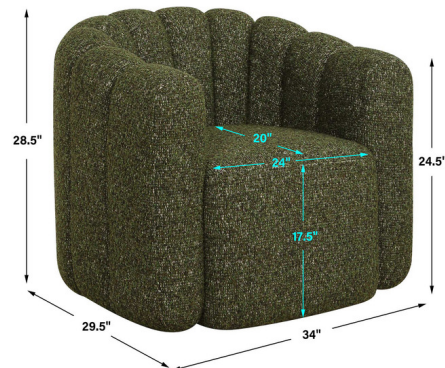

By Uttermost

Description

Defined by its contemporary curved silhouette, the Lenoir Swivel Chair generously channeled upholstery that flows seamlessly from the backrest into the arms, creating a sculptural, inviting form. It is fully upholstered in a richly textured boucl fabric with an organic moss-inspired hue, accented by subtle cream threads for added depth and dimension. A concealed swivel base completes the design, offering effortless functionality while maintaining its clean, modern aesthetic.

Shown in moss
