Remsen Large Outdoor Sofa

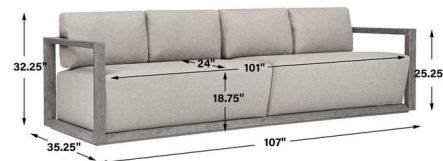

By Uttermost

Description

The Remsen Outdoor Sofa features a striking architectural frame with smooth, flowing interior curves that create a sculptural presence. Expertly crafted from solid mahogany wood in a weathered gray finish with wire-brushed detailing, it offers timeless outdoor sophistication. A generously cushioned floating seat, upholstered in Sunbrella Nuance Dove solution-dyed acrylic fabric, delivers exceptional comfort while resisting moisture, dirt, and fading for lasting outdoor performance. Due to the natural characteristics of solid wood, each piece will continue to respond to changes in temperature and humidity, resulting in unique cracks, movement, and surface variations that enhance its authenticity and character.
