Hilyne Color-Select Path Light

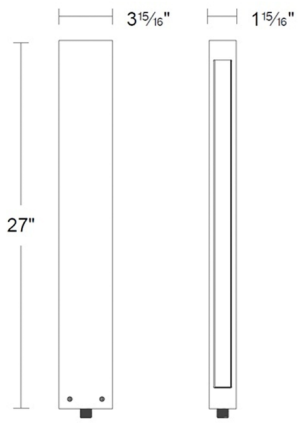

By WAC Lighting

Description

The Hilyne Color-Select Path Light features a sleek linear design that blends seamlessly into pathways while providing soft, even illumination. An angled panel of LED light runs the inner length of the fixture to offer bright, even illumination. An included stake allows for easy placement. LED color selectable options include 2700K, 3000K, 3500K, 4000K, and 5000K. Note: A transformer is required.

Shown in bronze / frosted
