Brough Outdoor 12V Color-Select Path Light By WAC Lighting

Description

The Brough is a sleek, architectural 12V path light designed to blend seamlessly into modern landscapes, offering adjustable directional lighting for enhanced functionality and scene customization. Features 5 color temperature selectable options 2700K/3000K/3500K/4000K/5000K, ideal for upscale residential, hospitality, and commercial outdoor environments. Rotatable luminaire head for directional control. IP66 Rated, protected against powerful water jets. Requires a 9-15VAC low voltage magnetic transformer, sold separately. NOTE: Includes a mounting stake and wire nuts.
