Offshore Color-Select Outdoor Wall Light By WAC Lighting

Description

Durable, elegant and timeless, Offshore brings the precision of modern architecture to outdoor lighting. Vertical fluted glass softens its powerful illumination, creating a balanced play of light and texture. The linear black metal frame adds structure and refinement, making Offshore a beacon of modern design built to weather any element. Built in color temperature adjustability. Switch from 2700K/3000K/3500K/4000K. ELV dimming: 100-10%, TRIAC dimming: 100-10%.

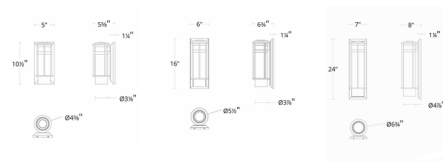

Shown in black / clear
