Brocade Outdoor Post Light By WAC Lighting

Description

Brocade weaves light into form. Its perforated metal body wraps around a glowing core, casting intricate patterns that shimmer like woven fabric. The sculptural form feels both futuristic and handcrafted, merging artistry with performance. Brocade turns pathways and landscapes into luminous, modern tapestries of light. Light engine is factory sealed for maximum protection from the elements. Note: Mounts on a 3 inch maximum diameter post (not included). ELV dimming: 100-10%, TRIAC dimming: 100-10%.
