Trapeze Wave TruColor RGBTW Oval Chandelier By PureEdge Lighting

Description

Gracefully balancing form and function, the Wave Trapeze Chandelier Oval is a stunning architectural lighting system that features continuous, 360-degree illumination without pixelation. Its sculptural form provides a striking visual element while delivering exceptional color rendering for a clean, uninterrupted glow. TruColor RGBTW takes Tunable White to the next level. With the addition of the red, green, and blue to tunable white, this fixture achieves an incredible level of quality, performance, and accuracy. TruColor RGBTW can be controlled with either DMX or WiZ Pro wireless controls. Note: Remote transformer required.

Shown in matte white / frost
