Mathura Head On Stand

By Currey & Company

Description

The Mathura Head on Stand is a striking sculptural accent crafted from natural brick-red stone and displayed on a sleek black-finished metal stand. Inspired by an ancient Bodhisattva sculpture in the Muse Guimet in Paris, the piece reflects the distinctive artistry of India's Kushan Period, dating to the 1st and 2nd centuries. Its serene expression and thoughtfully rendered details pay tribute to the original work while offering a timeless decorative statement for contemporary interiors. As each sculpture is carved from natural stone, subtle variations in color and texture make every piece uniquely one of a kind.
