Hana Vase Set of 2

By Currey & Company

Description

The Hanna Vase Set showcases graceful egg shaped silhouettes accented by timeless oblong patterns, creating a versatile design that complements a wide range of interior styles. Each vase is handcrafted by skilled artisans who splash delicate flecks of white frit onto translucent green glass, allowing the molten material to flow into beautifully organic patterns. Both decorative and functional, these watertight vases are perfect for displaying fresh floral arrangements or standing alone as sculptural accents.
