Godet Tall Vase

By Currey & Company

Description

The Godet Tall Vase is a remarkable fusion of traditional craftsmanship and modern innovation. Its deeply sculpted, flowing ridges create a striking sense of movement, achieved with the precision and consistency made possible through advanced 3D printing technology. Crafted from porcelain, one of the world's oldest ceramic materials, this distinctive vessel reimagines a timeless medium through a cutting edge manufacturing process, resulting in a sculptural piece that is both elegant and unexpected.
