# Casey Box

By Currey & Company

## Description

The Casey Brown Box showcases exceptional artisanal craftsmanship with a surface meticulously clad in natural pen shell pieces, each carefully arranged in an elegant, puzzle like pattern. Brass finished stainless steel trim frames the design, adding a refined contrast and enhancing the warm, organic tones of the shell. Beautiful as both a decorative accent and storage piece, the box is sealed but is not watertight and should not be used to hold liquids.

Shown in brown / brass
