Hazlitt Box

By Currey & Company

Description

The Hazlitt Box brings sculptural elegance to the home office with its richly textured exterior. Crafted to accommodate standard letter-size paper, it is perfectly suited for display on a desk, credenza, or bookshelf while offering stylish storage. Each box begins with a wood frame that is hand-coated with composite to create its distinctive dimpled, dimensional surface before being finished in luminous gold leaf. Due to the handcrafted nature of the materials and finishing process, subtle variations in texture and appearance make every box uniquely its own.
