Tropical Crown Vase

By Currey & Company

Description

The Tropical Crown Vase is crafted from ceramic and finished with a beautiful blend of ivory and reactive blue glaze. The hand formed leaves that create its sculptural ruffled silhouette are meticulously shaped using the painstaking pinch method by a group of skilled women artisans. To complete the design, reactive blue glaze is artfully dripped over the leaves, creating a one of a kind artisanal finish that enhances the vase's organic beauty.

Shown in ivory / reactive blue
