Relic Accent Table

By Currey & Company

Description

The Relic Accent Table lives up to its name with a richly textured, pitted surface that evokes the character of a piece shaped by time. Handcrafted by skilled artisans living along the border of Thailand and Myanmar, each ceramic table reflects generations of traditional craftsmanship. The surface reveals subtle variations in tone, with lighter and deeper hues that enhance its organic beauty. These artisanal details ensure that every Relic Accent Table is a unique expression of handcrafted design.
