Midnight Bamboo Box Set of 2

By Currey & Company

Description

The Midnight Bamboo Box Set features two beautifully crafted nesting boxes made from acacia wood, blending natural materials with refined artistry. Each exterior is meticulously inlaid with indigo dyed bone, framed in brass and arranged in a bamboo-inspired pattern that lends the design timeless sophistication. The rich blue hues display subtle shibori like variations created during the dyeing process, ensuring every piece is uniquely distinctive. Lined with natural cotton linen, the interiors provide an elegant finishing touch. Due to the handcrafted materials and artisanal techniques, slight variations in color and pattern are to be expected, making each set one of a kind.
