Interstellar Box Set of 2

By Currey & Company

Description

The Interstellar Box Set pairs contemporary design with artisanal craftsmanship. Each decorative box features a captivating green swirl paper pattern encased beneath glass, creating a luminous, high gloss finish that enhances the depth and movement of the design. The interiors are lined with soft black felt, and the smaller box nests neatly inside the larger for versatile storage and display. Because each piece is handcrafted, subtle variations in the swirling patterns make every set uniquely one of a kind.
