# The Gabrielle Object

By Currey & Company

## Description

The Gabrielle Decorative Object reimagines the iconic silhouette of a couture handbag in solid white marble. Expertly carved from natural stone, this sculptural accent is finished with elegant fixed chain handles that serve as decorative details, enhancing its fashion inspired design. Blending timeless craftsmanship with contemporary style, the Gabrielle makes a sophisticated statement on shelves, consoles, or tabletops. As each piece is carved from natural marble, unique variations in veining and color ensure that no two are exactly alike.
