Leather & Raffia Tray Set of 2

By Currey & Company

Description

The Leather and Raffia Tray Set includes two decorative trays with a clean, tailored aesthetic. Rich leather is paired with finely woven raffia panels, each meticulously stitched to a wood frame in a distinctive diagonal pattern. The harmonious blend of natural textures and thoughtful craftsmanship lends the trays a timeless, sophisticated appeal. Designed exclusively as decorative accents, they are not intended for serving food or beverages, as the materials are not spill resistant. Due to the handcrafted nature of the materials, each tray will feature subtle variations, making every piece uniquely its own.
