Arrow Box Set of 2

By Currey & Company

Description

The Arrow Black and White Box Set features a bold geometric design that reimagines the classic chevron motif with a contemporary perspective. Expertly crafted with contrasting ivory bone and black composite, the striking pattern creates depth, movement, and graphic appeal across each box's surface. Inspired by the timeless elegance of traditional French chevron parquet flooring, the design balances classic influence with modern sophistication. The result is a pair of decorative boxes that bring structure, visual rhythm, and refined artistry to any interior.
