# Modernist Bone & Horn Box Set of 2

By Currey & Company

## Description

The Bone & Horn Box Set brings a sophisticated modernist aesthetic to any interior. Expertly crafted from mango wood, each decorative box is adorned with a striking mosaic of hand cut buffalo horn, creating a bold geometric pattern with rich texture and visual depth. Blending traditional artisanal techniques with contemporary design, these handcrafted pieces offer a fresh interpretation of Indian craftsmanship, making them both functional storage accents and sculptural works of art.
