Ivory Lacquer Box Set of 2

By Currey & Company

Description

The Ivory Lacquer Box Set brings understated elegance and timeless sophistication to any space. Crafted from wood and finished using a traditional lacquer technique, the nesting boxes feature crisp ivory surfaces accented by rich black edging for a refined contrast. While the lacquer finish provides a beautifully sealed surface, the boxes are not watertight and are intended for decorative use only; they should not be used to hold liquids.

Shown in ivory / black
