Venus Head On Stand Set of 2

By Currey & Company

Description

The Venus Head on Stand Set features two sculptural busts inspired by timeless classical artistry. Crafted from composite with an artisanal blend of beige and pale gray finishes, each piece has the appearance of weathered stone shaped by the passage of time. Elevated on black optic crystal bases of varying heights, these elegant sculptures evoke the presence of museum-quality artifacts while adding a sophisticated focal point to any space.

Shown in black / beige
