Happy 80'S Earth Vase Set of 3

By Currey & Company

Description

The Happy 80's Gray, Beige, Orange and Blue Vase Set pays homage to the bold, expressive style of the 1980s, when vibrant color and eclectic design defined everything from interiors to fashion. Crafted from porcelain, each vase is finished with hand applied glazes that are layered while the vessel spins on the potter's wheel, creating distinctive patterns and rich surface texture. A contrasting black glaze lines the interior, while the sculptural silhouettes echo the playful forms and creative spirit of the era. Because each piece is individually glazed by hand, subtle variations in color and pattern make every set uniquely one of a kind.
