Grasscloth Chandelier / Wall Sconce Shade

By Currey & Company

Description

Bring natural warmth and texture to a chandelier or wall sconce with this petite drum shade, handwoven from fine grasscloth. The delicate off white hue reads almost like linen, while a subtle knotty texture across the surface reveals the handmade, artisanal quality of the weave.This fine weave is finished with a rolled edge for a tailored, polished look. It's part of a three weave grasscloth collection, ranging from finer, linen like textures to richer, more heavily knotted weaves trimmed in thin bands of cloth, so you can match the level of texture to your space.Each shade sold separately. Clips on B10 candelabra base bulbs. Confirm fixture height and width clearance to ensure compatibility.
