Carmelo Vase Set of 2

By Currey & Company

Description

The Carmelo Vase Set includes two cast aluminum vessels finished in a rich scorched bronze that lends each piece a warm, metallic glow. Their organic forms and bold, Brutalist inspired silhouettes evoke the sculptural aesthetic of one of design history's most influential movements. Each vase is cast in two sections and expertly joined using a welding process, highlighting the craftsmanship behind its construction. Designed as decorative accents, these vases are intended for use with artificial flowers only.
