Sorority Obelisk

By Currey & Company

Description

The Sorority Medium Obelisk is a French inspired decorative sculpture crafted from solid marble with a richly mottled blend of tones. Its classic obelisk form and striking natural stone create a timeless statement, while the distinctive veining and color variations ensure that each piece is uniquely its own. As a product of natural marble, subtle differences in pattern and coloration are to be expected and celebrated.

Shown in green / off white marble
