Crab Sculpture

By Currey & Company

Description

The Crab Sculpture is a playful decorative accent that brings character and charm to any space. Expertly crafted with lifelike detail, this bronze piece captures the distinctive form and texture of the crustacean, making it a natural conversation piece across a range of interior styles. Once released from its mold, the sculpture is hand finished by skilled artisans with a rich dark brown patina that enhances its intricate textures and lends the surface the appearance of beautifully aged bronze.
