By Currey & Company

Description

The Leather & Raffia Box Set offers a refined, tailored aesthetic with its sophisticated blend of natural materials and meticulous craftsmanship. Each decorative box features brown leather paired with finely woven raffia panels, carefully stitched in a diagonal pattern over a wood frame to create a distinctive textured design. Finished with a protective suede base and a leather tab on the lid for effortless opening, these boxes combine function with understated elegance. Due to the handcrafted nature of the materials, subtle variations in texture and finish make each piece uniquely its own.
